TYPE OF IBM SYSTEM(S): \_\_\_\_\_

A Corporate Membership entitles the company to send as many permanent employees as desired to luncheon meetings, education seminars, and training sessions at discounted rates. An Individual Membership confers privileges to that member only.

IBM iTech Community is a member of COMMON. Membership in IBM iTech includes membership in COMMON for either Individual or Corporate Membership.

IBM iTech encourages the participation of Information Technology professionals, Technology Business Owners, End-Users, Developers, Programmers, and Vendors alike. Our association platform is to share ideas and learn from others. Our meetings are intended to be educational and not to be used for soliciting or conducting private or commercial business.

ANNUAL MEMBERSHIP FEES (Please select): \_\_\_\_ Individual (\$75.00) \_\_\_\_ Corporate (\$195.00)

Please mail application and check to IBM iTech Community at the above address.

EIN: 58-1901265

Special Areas of Interest? \_\_\_\_\_

For Corporate Membership, please list emails below of additional people that should receive iTech meeting information.
